MEMORANDUM TO HENRY A. KISSINGER

FROM: Peter Rodman

RE: Charles Miles Adoption of a Canadian child

Nancy spoke to you about this visa matter, and you were going to give me guidance.

Mr. Charles Miles, an employee of Governor Rockefeller who has recently adopted a Canadian child, is going to the U.S. Consulate in Montreal on Monday, April 30 to pick up a permanent visa for the child, Craig Christopher Giovanni. The visa is ready and he has an appointment for 2 p.m. The Governor wonders if Miles can have the VIP courtesy of not having to wait in the usual hours-long line.

Shouldn't we pass this on to Jeanne Davis? HK

Can we get done?
